

## DraftKings Adds Baseball Personality Jared Carrabis to Its Media Talent Lineup

April 6, 2022

### Carrabis and DraftKings to Launch Baseball-Centric Shows and Content, Including New “Baseball is Dead” Podcast

BOSTON, April 06, 2022 (GLOBE NEWSWIRE) -- DraftKings Inc. (Nasdaq: DKNG) today announced the latest addition to their media portfolio, popular baseball personality and content creator **Jared Carrabis**. Known for his insightful, in-depth baseball commentary and die-hard love for the Boston Red Sox, Carrabis will join DraftKings in creating weekly baseball-focused podcasts and a wide array of engaging content based on podcast topics for all baseball fans to enjoy.

Starting April 7, 2022 on DraftKings' YouTube channel, Carrabis will deliver extensive baseball knowledge, hot takes on all things baseball, the latest news from his hometown team, special guest interviews and more with the debut of two podcasts: “Baseball is Dead” and “Jared Carrabis.”

“Baseball is Dead” will be a national MLB podcast designed to grow the game and laugh in the face of those who have prematurely called the sport of baseball “dead”. Hosted by Carrabis with appearances by former MLB pitcher and Oakland Athletics analyst Dallas Braden, Baseball is Dead covers baseball from top to bottom, league to league, division to division and team to team, boasting one of the premiere guest lists in baseball media.

“I am thrilled to bring my deep passion for baseball and sports betting to DraftKings,” said Carrabis. “Not only do we share roots in Boston, but we also share the same vision to deliver exciting content to sports fans everywhere. I can’t wait for fans to see what we have planned for this year’s MLB season.”

The “Jared Carrabis Podcast” will center on Carrabis’ passion for the game and the Red Sox where he’ll offer fans an unfiltered take on the Boston boys of summer and feature behind the scenes access and regular contributions from guests Pete Blackburn and Pat Light.

“We’re thrilled to add Jared Carrabis to our growing portfolio of content creators. He brings credibility as a subject matter expert while striking an authentic tone that resonates with sports fans,” said DraftKings Vice President of Programming Stacie McCollum. “We continue to expand the DraftKings content experience by building a platform for independent voices and emerging talent such as Carrabis.”

Coming in late April, DraftKings will debut a live VLOG on Tuesday evenings where baseball fans can interact with Carrabis via social media as he watches MLB games. Later this spring, Carrabis will put his fandom for WWE on full display by launching a wrestling-centric podcast reflecting on the history of the league and its impact on The New Era. More details to follow.

Carrabis joins DraftKings’ expanding content lineup, which include collaborations with Meadowlark Media; “Stupidity with StuGotz,” “Mystery Crate” with Mike Ryan, Bill Gil, Roy Bellamy and Chris Cote, “Montgomery and Co.” featuring Renee Montgomery, and new shows “Basketball Illuminati” with Amin Elhassan and Tom Haberstroh and “Point Forward” with Andre Iguodala and Evan Turner. Additionally, DraftKings recently relaunched “GM Shuffle” with Michael Lombardi and Femi Abebe and debuted podcasts “Golic and Smetty” with Mike Golic Sr. and Jessica Smetana, and the “Ross Tucker Football” podcast series.

### About DraftKings

DraftKings Inc. is a digital sports entertainment and gaming company created to fuel the competitive spirit of sports fans with products that range across daily fantasy, regulated gaming and digital media. Headquartered in Boston, and launched in 2012 by Jason Robins, Matt Kalish and Paul Liberman, DraftKings is the only U.S.-based vertically integrated sports betting operator. DraftKings is a multi-channel provider of sports betting and gaming technologies, powering sports and gaming entertainment for operators in 17 countries. DraftKings’ Sportsbook is live with mobile and/or retail betting operations in the United States in Arizona, Colorado, Connecticut, Illinois, Indiana, Iowa, Louisiana, Michigan, Mississippi, New Hampshire, New Jersey, New York, Oregon, Pennsylvania, Tennessee, Virginia, West Virginia, and Wyoming. DraftKings’ daily fantasy sports product is available in 6 countries internationally with 15 distinct sports categories. DraftKings is both an official daily fantasy and sports betting partner of the NFL, NBA, MLB, NHL, PGA TOUR and UFC as well as an official daily fantasy partner of NASCAR. Launched in August 2021, DraftKings Marketplace is a digital collectibles ecosystem designed for mainstream accessibility that offers curated NFT drops and supports secondary-market transactions. DraftKings also owns Vegas Sports Information Network, Inc. (VSIN), a multi-platform broadcast and content company.

### Forward-Looking Statements

Certain statements made in this press release are “forward looking statements” within the meaning of Section 21E of the Securities Exchange Act of 1934, as amended, and the Private Securities Litigation Reform Act of 1995. When used in this press release, the words “estimates,” “projected,” “expects,” “anticipates,” “forecasts,” “plans,” “intends,” “believes,” “seeks,” “may,” “will,” “should,” “future,” “propose” and variations of these words or similar expressions (or the negative versions of such words or expressions) are intended to identify forward-looking statements. These forward-looking statements are not guarantees of future performance, conditions or results, and involve a number of known and unknown risks, uncertainties, assumptions and other important factors, many of which are outside DraftKings’ control, that could cause actual results or outcomes to differ materially from those discussed in the forward-looking statements. For a discussion of additional risks and uncertainties, which could cause actual results to differ from those contained in the forward-looking statements, see DraftKings’ filings with the Securities and Exchange Commission. DraftKings does not undertake any obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as required by law.
