Explanation of Responses:

- 1. The Reporting Person acquired shares of Class A Common Stock of the Issuer after the exercise of stock options in an exercise-and-hold transaction, and paid the aggregate exercise price in cash.
- 2. These stock options were granted on June 4, 2019. As of the date hereof, all of such remaining stock options have vested.
- 3. This Form 4/A is being filed to correct the number of derivative securities beneficially owned by the Reporting Person following the reported transaction. The original Form 4, filed on May 23, 2023 (the "Original Form 4") erroneously reported 0 derivative securities remaining. The corrected number of derivative securities remaining following this transaction is 404,173. This Form 4/A also amends the Original Form 4 by noting in footnote 2 to this Form 4/A above (footnote 8 to the Original Form 4) that all of such remaining stock options have vested, but have not yet been exercised. Other than as described in this footnote, there are no other changes from the Original Form 4, including the transactions triggering the Original Form 4.

/s/ Faisal Hasan, attorney-in-
